

Information Security Policy Statement

The objective of the management of Pinacl Solutions UK Limited is to ensure that there is a secure business environment for all applicable company and client information, to ensure business continuity and to facilitate the availability of company information to authorised users.

To achieve this objective, it is the policy of Pinacl Solutions UK Limited to establish and maintain an effective and efficient information security management system, planned and developed in conjunction with other management functions. This will be complied with and continuously improved, ensuring the effectiveness of the ISMS. The ISMS operated within Pinacl Solutions UK Limited is designed to and complies with the requirements of ISO 27001:2013.

The scope of this policy and its supporting documentation covers Pinacl Solutions UK Limited's operations and business support functions. It includes "The Information Security Management System relating to the provision of the design, installation and maintenance of Information Technology and telecommunications systems and solutions in accordance with the Statement of Applicability".

The nature of Pinacl Solutions UK Limited's activities places emphasis on experience, expertise, performance, safety, reliability, quality, and security.

This policy applies to all Pinacl Solutions UK Limited employees, third party contractors, consultants, temporary personnel at Head Office.

Objectives are held by the Managing Director or his delegate; these shall be established, measurable and reviewed as appropriate. Pinacl Solutions' policies and associated processes and procedures must be adhered to by management, staff, contractors and temporary workers. It may impact on visitors, suppliers and customers.

The attitude to risk is currently defined as low or medium risk and identified risk in the high levels will be brought to the attention of the Senior Management and Board for their consideration. Pinacl Solutions wishes to set and continuously achieve the minimum of risk for the minimum cost to the business.

Pinacl Solutions shall ensure that management and staff are fully conversant with its objectives through an induction programme and ongoing training and education programmes where necessary. This policy will be reviewed annually.

Rob Bardwell

Managing Director
